

APPLY FOR EVA JUNIOR FELLOWS NETWORK!

EVA Junior Fellows Network for students and young professionals was launched in 2003. Every autumn EVA organises a seminar for Junior Fellows, during which they have a possibility to exchange ideas with Finnish business leaders and experts from different sectors of Finnish society. Our aim is to build partnerships between young talents starting their career and the Finnish business community. Each year we nominate 20 new Junior Fellows for a period of two years.

Are you a 2008 EVA Junior Fellow?

We look for:

- Students (graduate and post-graduate), young researchers and young professionals
- Finns residing abroad and non-Finns living in Finland or abroad
- talented people, who:
 - operate in the fields related to EVA's work and areas of interest (especially business, economics, social sciences including international relations)
 - have an interest in the Finnish business community and society
 - possess enthusiasm and ability to express opinions!

We offer:

- An annual seminar in Finland where you have a chance to discuss and debate current issues with other Junior Fellows as well as top leaders from the fields of business, politics, culture and media
- An active and international network of talented students and young professionals.
- A possibility to contribute to EVA's activities e.g. by exchanging ideas and writing articles to EVA's web site and publications
- A possibility to keep in touch with the Finnish business community and society
- Support in recruitment and scholarship application processes
- EVA Junior Fellows Network does NOT provide scholarships

How to apply?

Please fill in the application form on www.eva.fi -> Junior Fellows. Deadline for applications is 15 February 2008.

We will confirm the arrival of each application and contact all applicants after the final selection has been made. For further information on the Junior Fellows Network please contact:

Business and Policy Forum EVA (known by its Finnish acronym EVA) is a private think tank founded in 1974 and funded by the key business organisations in Finland. It is independent of government and political parties. EVA's mission is to promote discussion about key national and international issues and put forward new ideas and policy recommendations.
